Sub: Regarding parents-faculties meeting in the first week of April, 2024.

Madam/ Sir,

With reference to the virtual meeting held on 4th March- 2024. It has been decided that parents -faculties meeting will be held in first week of April. The objective of this meeting is to assist parents in understanding students' progress in the Institutes and find a solution to academic or behavioural problems, if any. It will also provide an opportunity for parents/guardians and faculties to discuss any concerns or issues regarding the student's academic or social performance. It can help identify any issues early on and address them before they become significant problems. This meeting shall be held twice in every academic year in the month of April and November.

Therefore, you are requested to do the needful in this regard.

Yours Sincerely

Director-cum Special Secretary

Department of Science Technology and
Technical Education, Patna, Bihar.
